Union Parish Police Jury Invests in Maintenance Vehicle Upgrade at Landfill

Parish Saves Money with LPFA Zero-Interest Financing

BATON ROUGE -- Union Parish Police Jury recently purchased a new dump truck to move soil at the Union Parish Sanitary Landfill in Farmerville.

According to Union Parish Police Juror Glenn Hutto, the articulated dump truck replaced the Parish's 1996 model that was becoming too old and expensive to maintain. Newer models cost less to operate, are more reliable and have lower fuel consumption. The older truck will serve as a backup.

"Purchasing a vehicle like an articulated dump truck is a major expense for a rural parish, but in this case, it is vital to the operation of the Parish's solid waste disposal facility. The LPFA's Local Government Bond Bank Program was designed for these types of purposes."

– Martin Walke, LPFA

The Parish's purchase of the \$309,000 dump truck was made possible in part by a \$52,000 zero-interest loan through the [Louisiana Public Facilities Authority's Low Interest Local Government Bond Bank Program](#). The zero-interest loan will save the Parish \$1,463 in interest payments.

"Purchasing a vehicle like an articulated dump truck is a major expense for a rural parish, but in this case, it is vital to the operation of the Parish's solid waste disposal facility. The LPFA's Local Government Bond Bank Program was designed for these types of purposes, and I'm pleased we were able to assist," said Martin Walke, LPFA Vice President for Economic Development.

About LPFA's Low Interest Local Government Bond Bank Program

[The LPFA Low Interest Local Government Bond Bank Program](#) is a voluntary program established by the LPFA Board of Trustees solely with LPFA funds to help local governmental entities and their constituents. This program is designed to help address the financing needs of local governmental entities and to reduce their overall borrowing costs.

About Louisiana Public Facilities Authority (LPFA)

The Louisiana Public Facilities Authority is a self-supporting public trust and public corporation that issues both taxable and tax-exempt bonds to finance public and private projects throughout the state. The LPFA finances industrial and economic development projects, provides low-cost funding for hospitals and hospital equipment, universities and other educational facilities and essential programs for state and local governmental units. The LPFA does not receive any funds from the state for its operations.
